Dear Mr. Child:

Pursuant to §3008(a)(2) of the Resource Conservation and Recovery Act (RCRA) as amended, I am providing notice to you that the United States Environmental Protection Agency is preparing to issue an Order to the subject facility for violations of RCRA. Specifically, the Facility operated a hazardous waste container storage unit without a RCRA permit or interim status, and failed to make proper and timely waste determinations of solid wastes, as required by 35 Ill. Adm. Code 722.111.

If you have any questions on this matter, please contact William Buller, of my staff, at (312) 886-4568.

Sincerely yours,

*Joseph M. Boyle*
